Elden Ring™ Game (hereinafter “the game”) is a fantasy action RPG that combines the game with a variety of online services (hereinafter, “services”). The Services include the following: Multiplayer Mode, Character Book, in-game Shop (hereinafter, “shop”), and Battle Rank. In Multiplayer Mode, you can carry out actions such as interacting with other players in real time in a free play environment, and with a maximum of four people, you can play together in online campaigns that last a set period. In Character Book, you can record information about your character and photos and drawings for it (hereinafter, “character information”). In-game Shop: You can purchase items that can be used in the game using in-game money and made-up items such as influence. Battle Rank: You can fight with your friends to become a Battle Rank and obtain Battle Rank Points (hereinafter, “Battle Rank Points”). During the game, you may come across a character (hereinafter, “monk” or “monk character”) that helps you on your quest. A Monk is an important character in the game and accompanies you on your journey, and you must play the game together with him. By selecting a type of character that suits you, you can enjoy the game in a different way and have more fun playing it. Please refer to: ABOUT THE PROCESS OF CHARACTER SELECTION: 1. The Monk Character will be assigned as your partner from the selection menu. 2. The Monk Character’s race, gender, class, appearance, and equipment will be randomly determined on the initial selection screen. 3. Please do not select the “Trick Character” who aids you in battle with his special skills. 4. When you wish to change the monk, press the [Back] button to go to the selection screen, and then press the + button or – button. 5. After changing the monk, please press the [Start] button to begin the game. 6. When you have completed your quest, you can go back to the selection menu to change the monk. 7. In the case where you do not want to change the monk, please press [Start] and select the automatic “

PENTA2 PRESS [9/12/2013] "We really appreciate the idea of control over how we look in game. We have lots of fun with the design of our characters. Plus, the simple concept of creating a character makes the game more appealing. We believe the game provides players with the fun of customization and the satisfaction of growing strong, but we must admit that one the key factors are the balance of the game. But let's talk more about it." PENTA2 ——— IGN: Congratulations on the release of TARNISHED. What is the title about? PENTA2:The title of TARNISHED is an interactive drama of parallel stories set in the world of Black Heaven. In the Lands Between, players can become an influential Elden Lord and lead his people. Players should start with a basic idea of controlling their character and creating his traits, and then gain experience and reach their desired goal of becoming an Elden Lord. How did you develop this concept? In the First Fantasy RPG by PENTA2: TARNISHED, players can customize their characters through four simple characters and weapons. Once players select a set of characters and weapons, they face the dungeon of their choice. There, they gather experience points to increase their strength. Players can also complete quests to level up, find treasure, and battle enemies. However, the real hero's journey is to become stronger through enhancing, and refining, the characters that have been created. And the character development options are limitless. Once characters reach a certain level, they can specialize in a particular skill, and even create their own custom class. By progressing through the story and quest lines, players can change their appearance and special abilities. They can also establish friendships with the people from other worlds through communication skills. This is an original system allowing the player to develop and strengthen their characters. From this, we created TARNISHED. How is the world different from that in previous RPG titles? Due to the concept of TARNISHED, a lot of changes have been implemented. Players start off with a random character and a random weapon, and then experience the world. They will get to know this world along the way. The world is diverse in appearance as well as backstory, and the characteristics of each character also change throughout

Elden Ring Free Download [Win/Mac]

□ An Epic Battle with a Hero Aiming for Glory You are Tarnished, a poor commoner, who during a dark night, is summoned to the Elden Ring. Beyond a labyrinth lies a strange land in which you will fight for your own life. □ A Low-Profile Battleship You begin by attending a tutorial on the battleship, where you will be taught the controls. From here, you will sail through the seas of the Lands Between, where you will meet countless unique and surprising enemies. □ A Ballistic Combat Action Accomplishing the quests of the Lands Between, will reward you with Gunnery Points (GPs). By leveling up your Gunnery Skill you will be able to improve the performance of your Gunnery Gear, which will have an impact on your combat ability. □ A Lost Treasure of the Elden Ring By completing quests you will obtain additional equipment such as a Gunnery Gear, which will be reinforced with Steel Reinforcements. If you continue to perform well in battles, your equipment will improve, granting you extra GPs. □ A Divine Battle with your Soul Using the equipment, you can not only perform the Gunnery, but also perform magic and other abilities. By obtaining Equipment Pieces, you will be able to gain Divine Boxes, which you will use to power up your various skills. □ A Fight for Indomitable Justice When you master all of the skills, you will be able to fight against the elder god. The elder god will be made up of the weapons that you have obtained from your adventures. ■ ENJOY THE WORLD OF THE ELDEN RING, WITH A NEW EXPANSION CALLED THE GREEN MAN. Using Tarnished as the protagonist you will be able to enjoy the entire story with the newest update: ▼ The Green Man The Green Man is a new character who will carry out the story. After hearing about the Green Man, Tarnished will have to join his party and go through battles and movements that are different from the previous content. ▼ The Creation of a New Dungeon A puzzle-like dungeon called the "Sheltering Mist" is also included. Tarnished will obtain the ability to battle in a dungeon for the first time in the long history of the game. ■ THE GREEN MAN: A NEW CHARACTER FOLDER

What's new:

This is the biggest game developed by Carbine Studios. In addition to taking the world-wide fan favorite MMO, that is now 20 years old, to the next level, we have decided to go all in and push mobile development more than any mobile game has done before.

Do you have what it takes to reach the top?

Please have a wonderful day :) Reviews Anonymous, Nov 8, 2018 Game is not working at all, I think because I have all this NPC, not knowing if they are NPCs that came in later or good story characters. Player, Jul 23, 2018 This game is extremely easy. J, Jul 10, 2018 I didn't think this game was gonna be this difficult. I already killed my entire party, the bosses are ridiculously easy, and I don't know what to do to grind gold and xp. I don't think I'm ever gonna be able to beat it because of that. I don't want to go back and play it again. I'm like 13 hours into it and still haven't gotten out of the first world. I never made it past the first 5 people of each group. Anonymous, Jul 3, 2018 This game is fun to play, but the story is actually terrible. Paul, Jun 20, 2018 More Rhyogen, Jun 15, 2018 This game is the worst game I have ever played and for those who are thinking about getting this it's seriously not worth the 20\$ a month.
