The legendary fantasy action RPG finally arrives on the PlayStation®4. The vast world of the Lands Between awaits you as you become a Tarnished in the Elden Ring. Set in a virtual reality, this is the only game where you control all of your actions and are fully immersed in the world. A story spanning generations Explore a vast world that’s filled with open fields and huge dungeons. As a Tarnished, you will rise against your past, and become an Elden Lord to lead the fight against your enemies. A vast world where you take control of the player Enter the world in a wide variety of situations. By equipping items and performing actions, you will guide the fate of all the people who live in the Lands Between. An epic mystery that reflects the true power of the Elden Ring There are many characters who have passed by, but the story of the Lands Between is being gradually revealed. By experiencing these odd characters in the dark and foggy environments of the Lands Between, you will begin to understand the true power of the Elden Ring. A new fantasy action RPG where you take control Finally, we will release a fantasy action RPG in which you take control of all the actions. A historic action RPG in which you are fully immersed in the world, this is the only title that can create the endless freedom of a fantasy action RPG with the friendly atmosphere of a fantasy RPG. \* Questions and answers about the battle system: Added achievements: [FEATURES] Character Creator: Customize the appearance of your character. A vast world: A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. Areas: There are six areas in the game, and in each there are many sectors that are connected to each other. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. Battle System: The battle system is divided into a turn-based battle and a real-time action battle. In the battle, you can fight your enemies using the action command. The action command system has a variety of commands to activate special skills and spells, as well as attack enemies at all ranges. Character Skills: The character skills are divided into eight categories. Special Skills: By activating the special skill, you can release a special effect such as crowd control, healing, and debuffing. Map System: The map system shows the tiles in the area that you are in. You can read the tiles that you can pass through at the top of the screen. You can interact with tiles by marking them with your cursor and choosing one of them. You can also change your cursor position to the tile directly above by pressing the space bar while holding the cursor. As you explore the world, you will receive a notification when you receive a location tile. You can collect items while exploring. You can check the content of the location tiles on your map when you receive a notification. You can talk with the location tiles by pressing the talk icon in the notification. Refusal System: Refusal system. The status of the location tile can be changed from a location to a refusal by pressing the "Refusal" icon in the location tile notification. However, Refusal System requires the owner of the tile to be adjacent to the tile, which restricts your exploration. Announce System: You can learn who has joined the party by pressing the "+" icon on the minimap. You can see their location by pressing the "x" icon on the minimap. You can learn the party status by pressing

#### What's new in Elden Ring:

**Wesnoth and Elden Bellum are planning to release this the beginning of 2015.**

**\* Elden Bellum will be a sequel to Wesnoth.**

On the other hand, BlueGrit will be released this summer.

We are very excited about the release of these new games. They're both teeming with fascinating RPG elements. We'll be presenting these games at The Epic Games show in September, so you can expect even more information about them then.
